Description

Artificial pillar candle set of 4 tea light holders.

The Eichholtz Artificial Candle Tea Light Holder - Set of 4 allows you to create a classic pillar candle arrangement with the convenience of an everyday tea light.

Designed by style icons Eichholtz, this distinctive set of 4 candle holders are pillar-like in appearance, designed to hold four individual tea light candles.

Perfect for the creating the illusion of a commanding pillar candle, cluster together with an accenting Eichholtz mirrored tray to complete the look. Group together to create a captivating focal point at your next dinner party or stand alone for a more intimate setting to inspire conversation into the early hours.

Please note: Tea light candles are not included.

Safety: To protect the candle holder exterior we recommend only using this set indoors. Allow sufficient air exchange in closed containers such as lamps and lanterns & ensure candles are always placed horizontally.
