Description

Cushion the blow designer style makes on your interior scheme with the -
Timorous Beasties British Birds Hawfinch Cushion.

The cushion features a lone bird sitting on the stem of a colourful flower,
surrounded by branches and leaves. The mix of colours in the bird and
flower contrast with the soft shade of the cushion backdrop to offer an
eye-catching accessory for the home interior.

The cushion is finished with a couple of colourful bees that blend
effortlessly with the design of the piece.

The British Birds Hawfinch Cushion will make a wonderful addition to the
sofa in the living space or on the bed in your bedroom for a splash of
colour and injection of designer style.
