Description

White Flos Ray T table lamp. This stylish lighting solution injects diffused-lighting into the room while adding contemporary layers of new style. Each lamp has a lathe-shaped aluminium diffuser, painted white on the inside, and shiny white on the outside, and overlaid with glass to create a glossy external finish.

The table lamp will make the perfect lighting addition to the bedside table in your room, the side table in the living area or in the hallway.

The Ray T lamp is one of many from the Flos Ray collection and is available in three different colour finishes.

Mix your for a unique look to your lighting arrangement. From Flos and designed by Rodolfo Dordoni, give this timeless and illustrious lighting solution a space in your home interior.
