Description

Cover the wall in style with the Flos Ariette Fabric lamp.

This lighting solution comes in the shape of a square and offers diffused light to the room with 4 x MAX 40W E27 HSGSA.

The lamp features a striking design combining two half circles back-to-back. With a synthetic fabric duster, 30% reinforced fibreglass and polymide ceiling and wall fitting, this lamp will make stylish addition to the interior.

For maximum impact, place the lamp on a darker wall where it will stand out effortlessly. Alternatively, use the piece as a ceiling lighting solution and have it beam down on the room.

The Ariette Fabric lamp is available in three sizes, allowing you to mix and match the lighting pieces to achieve a complete look in the scheme of your home.

From Flos and designed by Tobia Scarpa, give this modern and unique lighting solution a space in your home interior.
