Description

Keep your finger on the button with the Flos Button light. This stylish round light is ideal for either the ceiling or walls in your home and can be used either indoors or out. Offering diffused white light to the surrounding area, the light features minimal design with the middle of the piece resembling a screw. The light comes with a wall attachment while the light bulb support is 30% reinforced fibreglass nylon. The Button light can be placed in a number of places, from the hallway, bathroom to outside the front door. It is available in one of two colour finishes, allowing you to mix and match the pieces throughout the home for a set look to the lights in the rooms of the home. From Flos and designed by Piero Lissoni, give this timeless and illustrious lighting solution a space in your home interior. Lighting Information: 1 x 22W 2GX13 T5 FSC + 1 x 40W 2GX13 T5 FSC
