Description

Opaline PMMA and steel contemporary Flos pendant light.

Throw caution to the wind with the Flos Frisbi light.

A fabulous pendant light hung from the ceiling with a suspension cable, it offers direct, diffused and reflected light into the interior space of the home.

An opaline polymethylmethacrylate (PMMA) diffuser plate hangs from three suspended fine steel cables, with a polished, nickel-plated and zapon varnished stamped sheet metal reflector hanging above, attached to a black ABS ceiling fitting.

The construction of the piece makes it a unique and stand out lighting accessory that is sure to add style and luxury to the home.

The Frisbi will be a great lighting addition to the living space or dining room, where it is sure to be the focal point with such a commanding presence.

From Flos and designed by Achille Castiglioni - one of Italy's most renowned designers - give this timeless and illustrious lighting solution a space in your home interior.
