

Flos Gatto Table

White cocoon resin designer table lamp from Flos.

FL3207

Dimensions
Height: 56cm

Colour : White
Material : Cocoon Resin & Steel

Description

Illuminate the room with the stylish Flos Gatto Table Lamp. This luxury white table lamp features a rounded body reminiscent of a jelly fish, with elegant lines running the length of the lamp providing a sophisticated look.

The light has a white powder coated internal steel structure which is sprayed with cocoon resin which creates the diffuser, which is also guarded with a transparent spray on finish.

Electronic dimmer switch is located on the power cord which allows you to regulate the lamp brightness.

From Flos and designed by Achille Castiglioni and Pier Giacomo Castiglioni - two of Italy's most renowned designers - give this timeless and illustrious lighting solution a space in your home interior.

Power cable 1.8m

Lighting Information: 1 x MAX 60W E27 HSGSA bulb (included).
