### Description

Globe-shaped opaline glass wall mounted diffuser lamp from Flos. Inspired by the lunar phase of the full moon, the Flos Glo-Ball W is an illuminating addition for the heart of your interior scheme. Part of Flos' iconic Glo-Ball collection, Glo-Ball as its namesake suggests is a globe-shaped orb of imaginative glowing light. Sculpted by designer lighting experts, it offers diffused light from an acid-etched, hand blown, flashed opaline glass shade. Finished with a galvanized pressed steel wall fitting this versatile piece will fit perfectly in any room of your home interior as it exudes a sophisticated aura throughout your surroundings. From Flos and designed by Jasper Morrison, it can be mixed-and-matched with other elements from the Glo-Ball collection to create a distinctive focal point of charismatic designer style. Lighting Information: 1 x 70W E27 HSGS required (not included).
