Description

Sign up for designer style with the Flos KTribe F2 lamp. The stunning floor lamp has a square base with straight edges, sleek stem and diffuser support, all made from polished and chrome-plated zamak alloy. Offering diffused light to the surroundings, this piece will inject elegance and sophistication to your lighting arrangement. The light comes with an electronic dimmer with dial control which can be found on the power cable of the product, while it is finished with an aluminized silver shade. The lamp will look great illuminating your living space, in the corner of a bedroom or in the hallway for a guiding light. The KTribe F2 floor lamp is available with one of five shade finishes, allowing you to pick the piece that best suits your interior scheme. From Flos and designed by Philippe Starck, give this illustrious and modern lighting solution a space in your home interior. Lighting Information: 1 x MAX 150W E27 HSGS
