Description

Let designer style hang over you with the Flos KTribe S1. This enchanting pendant ceiling light projects diffused light into the room, establishing a commanding look and striking aesthetic. The light hangs from a single suspension cable while the inner diffuser is made with opal white finish. The shade of the lamp has an aluminized silver finish, offering a gleaming and lavish aura while it is finished with a white ceiling rose. The KTribe S1 pendant will make a perfect addition to the living space or dining room in your home, illuminating the surroundings with light and designer style. The light comes in one of two colour finishes. Mix the pair throughout your home for a complete and luxurious look to your lighting arrangement. From Flos and designed by Philippe Starck, give this illustrious and modern lighting solution a space in your home interior. Lighting Information: 1 x MAX 60W G9 HSGS
