### Description

Floor lamp providing direct reading and ambient lighting. This unusual lamp projects direct light into the interior space as well as adding new layers of style. The body of the lamp is made from die cast aluminium and comes in 2 options a gloss 18K galvanised gold plated finish or polished chrome.

Each lamp is complete with round French drum shade in a smooth matt black or silver plasticized paper finish with silk screen patterned lining. The contrast in shade ensure this is a stand out addition that will not go unnoticed.

The Flos Lounge Gun floor lamp is finished with an electronic dimmer on the power cord that allows you to control the light in the room.

The lamp is one of several from the gun collection from Flos.
