Description

Embrace practical style with the Flos May Day lamp. This utility light fixture exudes an industrial aura of style and was a previous Gold Compass design award winner.

The lamp has an injection moulded, tapered opaline polypropylene diffuser, a handle with a hook that holds the power cord in place and push button switch on the handle.

This unique lamp can be used for a number of uses throughout the home, whether working on DIY activities or simply lighting a cupboard or loft space. The May Day lamp is available in one of two colour finishes, allowing you to choose the one that suits your taste, while you can mix the pair for a unique take on the lighting arrangement.

From Flos and designed by Konstantin Grcic, give this timeless and illustrious lighting solution a space in your home interior.

1 x MAX 60W E27 IAA/W bulb required (not included).

Cord length 4.85m

230 V
