### Description

Put your finger on the button with the Mini Button lamp. This small radiant wall or ceiling lamp from Flos offers diffused lighting into the room and surrounding area and is suitable for both indoor and outdoor use.

Made from die-cast aluminium and with a silicone elastomer dust and waterproof seal, the lamp features a rounded body, while the middle of the lamp resembles a screw.

The quirky Mini Button lamp will look fantastic placed in the hallway of your home while it will look equally as great in the patio area of your garden.

The piece comes in one of two variations, with either an opaline glass or polycarbonate finish. Maintain consistency with one or mix the look of the lighting arrangement by adding both versions.

From Flos and designed by Piero Lissoni, give this timeless and illustrious lighting solution a space in your home interior.
