Description

Gather folk round the Muuto Around Grey Coffee Table.

The table is made from plywood, solid ash and ash plywood. With a rounded tabletop with raised edges, this sits on top of three straight lined table legs. The shape and frame of the piece make it a practical addition that offers refinement to the room.

Exuding a contemporary look, the materials used and craftsmanship of the piece are testament to timeless Scandinavian design principals. Bring a touch of Nordic Charm indoors with this stylish table. Use it to hold your morning coffee or serve treats on when entertaining guests at home. The Around Grey Small Coffee Table also comes in a larger variation. Choose the one that best complements your interior or add both to the home for a consistent look to the designer style in your home.
