Tall floor lamp with crossed structure and ellipse shade in hemp finish.

CH3949

### Dimensions

Width: Base 47cm

Height: Base 133 cm, Overall 158cm

Colour : Silver

Material : Steel And Wood

### Description

Take to the floor with the Chelsom Crossover Floor Lamp.

The stunning lighting solution features a unique design with a criss-cross structure resting on top of a rectangular base.

The body of the lamp is made from polished chrome steel while the base comes in a chocolate wood finish.

Both sides of the structure cross the others' path while the wooden base is raised on a chrome plate for added protection.

The lamp comes with a 22-inch ellipse shade in a soft hemp finish.

The Chelsom Crossover Floor Lamp can be matched with other products from the Crossover range for a complete look to your lighting arrangement.

Respected by professionals throughout the world, Chelsom has built its reputation on combining the look, design, understanding and technical knowledge of lighting solutions.
