### Description

Fit for a hotel, give the Chelsom Plaza Floor Lamp a home.

The elegant floor lamp features two long stems that form to create the main structure of the piece. This structure rests on a small rectangular base.

The lamp is made from steel and comes in a radiant brushed nickel finish.

It also comes with a 20-inch ellipse shade in a warm oyster finish.

This elegant lighting solution will add new layers of style to your interior while illuminating the room.

The Chelsom Plaza Floor Lamp will make a refined addition to your home and can be placed in the dining room, living area or hallway of the property.

Respected by professionals throughout the world, Chelsom has built its reputation on combining the look, design, understanding and technical knowledge of lighting solutions.

Requires:

1 x 10W LED E27
