White opal glass pendant light from Chelsom. CH4002

Dimensions  
Height: 50 - 250cm

Colour : White  
Material : Duplex Glass

### Description

White opal glass pendant light from Chelsom. Create a welcoming ambience in your interior with the Chelsom Dine 20 Pendant White Lamp. Expertly sculpted from distinctive duplex glass, the light is presented in a refreshing white contemporary finish. Inspired by the Scandinavian style of minimal design, the pendant is curved in a tapered hour glass shape and radiates a soft diffused glow as well as an excellent source of down light. The design is finished gracefully by Dine's signature clear suspension cable giving the light subtle industrial appeal. This stylish hanging pendant will look great in the dining room or hallway of your home interior where it will channel modernity and illuminate your interior in style. Note: Requires either 1 x 21W E27 or 1 x 42W E27 bulb (not included). Suspension unit options: Chrome. Suspension cable: Clear acrylic. Weight: 2kg
