Description

Watch style take-off with the &Tradition Fly Table SC4.

This coffee table exudes simple Nordic charm and design. The table comprises of a marble tabletop with curved edges and four rounded smooth legs.

It is made from solid oak wood, oak veneer and treated plywood in either smoked oil or white pigmented oil. The use of materials ensure this is a sturdy addition to your furniture collection.

The &Tradition Fly Table SC4 comes in a black and a white colour finish. Mix the tables in your interior to create a sophisticated monochrome effect among your furniture collection.

Designed by Space Copenhagen, fulfil the true potential of the table by allowing it to bring a relaxing and tranquil aura into your interior.

Available in white Bianco Carrara marble or Black Nero Marquina marble option.
