### Description

Propel originality with the & Tradition Fly Table SC5. The long coffee table exudes simple Nordic charm and design. The table comprises a lengthy marbled tabletop with curved edges and four rounded smooth legs. It is made from solid oak wood, oak veneer and treated plywood in either smoked oil or white pigmented oil. The use of materials ensure this is a sturdy addition to your furniture collection. Mix the tables in your interior to create a sophisticated monochrome effect among your furniture collection. Designed by Space Copenhagen, fulfill the true potential of the table by allowing it to bring a relaxing and tranquil aura into your interior.
