### Description

Beam light into the home with the &Tradition Blown Lamp SW3. The original lighting piece is made from mouth blown glass and comes with a powder coated metal suspension, coated wire and 4m fabric cord. The glass features a subtle raised criss-cross pattern that exudes Nordic design. The Blown Lamp SW3 is available in two colour finishes. Choose from silver lustre with a black cable and wire or blasted white with a white cable and wire. Designed by Samuel Wilkinson, the pendant lamp is an examination of the reflections, alterations and refractions light when covered by decorative glass. Bring this pendant into your home and add a designer touch to your lighting arrangement.
