Description

Hang style aloft with the & Tradition Copenhagen Pendant SC7 available in white or black.

The pendant comprises a matt lacquered metal shade with a plated metal suspension, and produces a spectacular light which shines from both its top and bottom (it secures an even solid light downwards and a diffused light upwards).

It is one of a series of pendants and can be mixed with the larger SC8 or smaller SC6 models for a consistent yet original look to your lighting arrangement.

Designed by Space Copenhagen, illuminate your home with this contemporary pendant that exudes simple Nordic charm and style.

4m fabric cord with safety wire.

Requires 1 x E27 max 100W bulb (not included).
