Description

"Gather folk round the Muuto Around Small Coffee Table. The table is made from plywood, solid ash and ash plywood. With a rounded table top with raised edges, this sits on top of three straight lined table legs. The shape and frame make it a practical addition that offers refinement. Exuding a contemporary look, the materials used and craftsmanship are testament to timeless Scandinavian design principals. Bring a touch of Nordic Charm indoors with this stylish table. Use it to hold your morning coffee or serve treats on when entertaining guests. The Around Small Coffee Table comes in several finishes as well as in a larger variation. Choose the one that best complements your interior for a consistent look or group both sizes in different shades in the home for a unique take on designer style among your furniture."
