Description

Let light illuminate from above with the Fluid Pendant Lamp. From Muuto, the pendant is made from mouth blown glass and comes in an opal white finish. The mix of materials and finish ensure this lighting solution offers a soft look to the room, allowing for a natural feel to the light projected from it. The craftsmanship behind the pendant means the silhouette varies dependant on what angle you're looking at it from. This feature also offers a greater light intensity to the underside of the lamp. The Muuto Opal White Fluid Pendant Lamp comes in two different sizes. Group one for a consistency or mix the sizes for an original take on your lighting arrangement in the home. Requires: 1 x E27 60W max
Cord Length: 3.5m
