Martime style galvanised external wall light.
GT0096

Dimensions
Width: 10.5cm
Height: 16cm
Depth: 15.5cm

Colour : Grey
Material : Hot Dipped Galvanised Steel

Description

The Funnel Down Light has a distinctly maritime feel. Inspired by a ship's funnel, this wall-mounted down light could be used as a porch light but is particularly good for lighting up pathways and corridors, both inside and out. The Funnel Down Light's hot-dipped galvanised steel body is completely weatherproof, making it suitable even for coastal locations. The light's slightly rough finish and appearance are as a result of the hot-dipping process and are an intrinsic part of its look. Suitable for indoor and outdoor use. Requires 1 x GU10 Halogen bulb (not included).
