Description

Make a versatile addition with the Longo Table from XVL. The dynamic dining table can be extended to suit when guests come round. With mitred leg detailing and 4cm thick table top, it has a striking presence. Finished in oak veneer, the table comes in a stained black finish as standard. The XVL Longo Dining Table will make a welcome addition to your home where it can be placed centre stage at dinner parties. Available in 2 widths, each table size extends from 200cm to 320cm with 2 sliding legs on wheels at one end to make movement easy. Extension includes 2 x 60cm wooden inserts & 1 hidden central foot for under the table top when extended. Other premium finishes are available at a price increase of 25% per item, please contact customer services for further details and pricing.
