Description

Give style a leg to stand on with the XVL Navara Table. The unique dining table features a large rounded table top with four leg support and sturdy base. The table top is made from oak veneer and comes in a stained mahogany finish while the base structure of the table is finished in black. The look of the table offers a sophisticated aura while it is sure to add a new layer of elegance to your interior. The XVL Navara Table comes in two different sizes. Choose the one that suits your dining room scheme or place them both in different rooms of the house for a consistent look to your furniture collection.
