Description

Add timeless style with the XVL Pure Square Table. The dining table comprises a sturdy square table top and comes with a unique base that consists of one long table stand with two table legs. Made from oak veneer, the table dining table comes in a natural colour finish and offers an aura of traditional sophistication and style. Place the table in your dining room for a new aura of elegant style and a place where you and the family can gather to eat. The XVL Pure Square Dining Table comes in four different sizes. Choose the one that suits your room scheme or create your own set of side tables for a consistent look to your furniture collection. Please note some simple self assembly required. Other premium finishes are available at a price increase of 25% per item, please contact customer services for further details and pricing.
