Dimensions
Height: 75cm

Colour : Black
Material : Stained Oak Veneer

Description

Dine in style at the XVL Rondo Dining Table.

The table is made from oak veneer and comes in a dark ebony stained finish.

The furniture piece comprises a large rounded table top which rests on four table legs, all of which are interlinked to form a floor base.

Channelling contemporary style with the traditional values of a classic dining table, this piece exudes sophistication and refinement.

The XVL Rondo Dining Table is available in three different variations as well as an extending dining table variation.

Please note some simple self assembly required.

Other premium finishes are available at a price increase of 25% per item, please contact customer services for further details and pricing.
