### Description

Bring simple style home with the XVL Lelie Coffee Table.

The table is made from oak veneer and comes in a dark brown stained finish.

With a flat table top matched by a flat base, both are connected by three separate table legs with room underneath the table top for storage.

Place the coffee table in your living area for a new layer of style where you can enjoy a coffee as you catch-up with friends.

The table channels the traditional look of classic coffee tables while offering a contemporary aura of style.

The XVL Home Collection Lelie Coffee Table is available in five various sizes.

Choose the one that complements your interior scheme and fits the room of your choice.

Other premium finishes are available at a price increase of 25% per item, please contact customer services for further details and pricing.
