Description

Choose simplicity with the XVL Easy Side Table. The side table features - minimal detailing but will still make an impact on the room. Made from oak veneer and in a dark stained finish, the table has a smooth table top with four leg support and a storage shelf underneath. The look of the side table offers a contemporary take on a classic furniture piece and will look great in your living space or bedroom or even in the hallway of your home. Team the side table with other items from the XVL range such as the taller Easy Pedestal Table for a complete look to your furniture. Other premium finishes are available at a price increase of 25% per item, please contact customer services for further details and pricing.
