Description

Add a timeless aura with the XVL Leman Chest of Drawers. The drawers are made from oak veneer with black ebony stain finish. The piece comprises two hidden storage spaces behind doors with two storage drawers to the centre of the piece. Each door is opened with a leather handle while behind it there is an internal and adjustable shelf, optimising the storage capabilities. The drawers have slow and self-closing mechanisms which also offer a degree of flexibility. Place your chest of drawers in the bedroom as a practical storage piece or in the hallway as a decorative accessory. Wherever you place yours, it is sure to complement the surroundings and enhance the home. Team the XVL Home Collection Leman Chest Of Drawers with other products from the XVL range around the home for a complete look to your furniture collection. Other premium finishes are available at a price increase of 25% per item, please contact customer services for further details and pricing.
