Description

Bring modern style home with the Roma Chest of Drawers.

From XVL, the storage solution is made from oak veneer and comes in a wenge finish.

The unit offers a sturdy furniture piece with optimum storage space in three drawers, each with an invisible opening and each with a slow and soft self-closing mechanism.

This chest of drawers bring a contemporary layer of style to a traditional furniture classic.

Store your clothes and other items in refined quality by making this the latest addition to the home.

Other premium finishes are available at a price increase of 25% per item, please contact customer services for further details and pricing.
