Description

Bring glamour to the home with the XVL Bellagio Sideboard. Taking its name from a well-known Las Vegas Casino, the Bellagio Sideboard is just as grand and stylish. Made from oak veneer, the piece is made from oak veneer and comes in a dark stained finish. Featuring a distinct shape with a small shelving space below the main table top, the sideboard also has a hidden storage space behind an invisible door opening. The storage space also has adjustable internal shelves, meaning this is a versatile piece as much as a stylish one. The XVL Home Collection Bellagio Sideboard is available in four different sizes, with various storage spaces to choose from. Give one a place in your home with other XVL products for a consistent look to the furniture arrangement.
