Description

Bring modern style home with the XVL Flavia Sideboard. The sideboard is a contemporary take on a traditional furniture classic. It is made from oak veneer and comes in a dark stained finish that offers an aura of refinement and sophistication to the room. The piece has hidden door storage space with invisible door opening, as well as internal shelves which can be adjusted. Two smaller shelving spaces under the table top offers further optimum storage space as well as adding to the overall look of the sideboard. Other premium finishes are available at a price increase of 25% per item, please contact customer services for further details and pricing.
