Description

Take the next step to total style with the Step Step Ladder. From Design House Stockholm, the piece is an award-winning design having been awarded 'best furniture piece of the year' in 2011 by design magazines, Wallpaper and Swedish Elle Deco. Finished in three striking shades, the piece features simple design and clean line detailing with a thin structure supporting a flat base and two steps. It is also supplied with a specially designed hook you attach to the wall to keep it wall-mounted and conveniently stored. The simple nature of the piece channels Scandic style with Nordic charm and will effortlessly add a refined layer of designer style to your interior. The Design House Stockholm Step Step Ladder is available in white, red and black finishes as well as a smaller size. Create a set by matching two sizes in different colour finishes for a unique take in your interior look.
