Description

Sit back and relax outdoors with the Savoy Dining Armchair.

From PR Home, the armchair comprises a high back seat with raised arms in a synthetic kuba weave with four chair legs in a teak finish.

The chair back has curved line detailing while the legs feature straight line and minimal design, while each one is finished with a small stud floor protector.

The combination of materials and finishes offers a sophisticated look to the piece.

This chair will make a wonderful addition to the exterior of your home while exuding an aura of elegance.

Group several of the PR Home Savoy Dining Armchairs with the Reclaim Dining Table for a complete outdoor dining set for your garden area.
