

Heathfield & Co 24" Lexington Pendant Light Smoke Balls

Ceiling pendant with decorative glass balls in
smoke glass.

HE4820

Colour : Grey

Material : Borosilicate Glass

Description

The Heathfield Lexington ceiling light Pendant Light is a stunning fitting with delicate borosilicate globes displayed in a group suspended from a mirrored diffuser and highlighted by halogen capsules. The sets of globes are arranged in four mixed sizes of fluted and plain dark smoked glass finishes to give contrast and interest. Complete with 24" drum shade is made of premium mocha satin and gold PVC lining which completes the opulent effect. 5x G9 light bulbs are used to light the shade (sold separately)
