Description

Bring light full circle with the Jato Square Desk Lamp. From Heathfield & Co, this elegant light can be placed on your desk for a stylish light source. With a polished chrome finish, the lamp has a square base with a long stem structure and a curved lamp head that draws inspiration from traditional desk lamps. The lamp arm can be adjusted to direct the output of light. This sophisticated lighting solution will make a fantastic addition to the study or work area of your home. Requires 1 x E14 bulb (not included).
