Description

The Mallory Blue Stone Lamp adds colour and elegance.

From Heathfield & Co, the table lamp features a fluted gourd shaped body in blue stone that rests on a round plate. This pattern offers a distinguished look to the piece.

The lamp comes with an 18-inch Roman drum shade in a light, ivory silk finish with white PVC lining. The shade offers a bold contrast to the base of the lamp that ensures it stands out.

The lamp can be placed in your living area, bedroom or hallway of your home.

The Heathfield & Co Mallory Lamp comes in three colour finishes. Group one colour for a consistent look or mix and match the finishes for a unique take to your home lighting arrangement. Please note: Requires 1x E27 light bulb (not included)
