### Description

The Heathfield & Co Mirande Olive Lamp adds style and grace.

The table lamp has a slim, curved structure that is elegant and fluid. This rests on a curved square base with a long stem, both in an antique brass finish, that offers a minimal contrast to the olive finished glass.

The lamp comes with a 14-inch flat drum shade in a black satin finish with gold PVC lining.

This piece will make a fine addition to the living room, hallway or bedroom of your home.

The Heathfield & Co Mirande Lamp is available in four different colour finishes. Group one around the home for a consistent look or mix the shades for a unique take on your designer lighting arrangement. Please note: Requires 1x E27 light bulb (not included)
