### Description

The Piro Wall Light offers a new dimension to lighting. From Heathfield & Co, the wall light features a square, wall mounted base with small arm support, each in a brushed nickel finish. The piece is finished with a 10-inch crescent shade in an plum silk finish with gold PVC lining. The wall light will effortlessly command a place in the dining room, hallway or living area of your interior. The Heathfield & Co Piro Brushed Nickel Wall Light is also available in a brass finish. Group the finishes together to add a unique look to the lighting arrangement throughout your home. Please note: Requires 1x E14 CFL or energy saving halogen light bulb (not included)
