Description

Channel elegance with the Torchere Nickel Wall Light.

From Heathfield & Co, the light is held in place with a small, rectangular, wall mounted base with protruding small arm support meeting the thick, conical body of the piece.

It comes in a nickel plated finish with a 12-inch crescent shade in an ivory satin finish with gold PVC lining that channels a sophisticated look.

The Heathfield & Co Torchere Nickel Wall Lamp is also available in both floor and table variations. Mix the lights around your interior for a complete look to the lighting arrangement in your home. Please note: Light bulb is not included.
