### Description

Mix style with light in the shape of the Verdi Indigo Lamp.

From Heathfield & Co, the lamp is made from mould blown glass with volcanic frit, lava, marble textures and patinas all combining to form the striking pattern of the base.

It comes with a 12-inch tall drum shade in a black satin finish with white PVC lining offering a minimal contrast.

The lamp will make a great addition in a number of places throughout the home where it will enhance the surroundings.

The Heathfield & Co Verdi Table Lamp is available in four different colour finishes. Mix the colours around your home for a unique take on the lighting arrangement. Please note: Requires 1x E27 light bulb (not included)
