Description

Add sophistication with the Willow Medium Ivory Table Lamp. From Heathfield & Co, the lamp features a willow form that draws inspiration from soft ripples found in a stream of water matched by the natural ivory finish.

The lamp comes with an 18-inch flat drum shade in an glaze sandstone linen finish with white PVC lining to offer a minimal contrast to the look. This piece will look great in a number of places throughout your home where it will enhance the surroundings as well as your lighting solutions. The Heathfield & Co Willow Medium Table Lamp is available in two different sizes as well as two finishes. Mix the sizes and finishes together throughout your home for a unique take on your designer lighting arrangement. Please note: Light bulb is not included.
