Description

It's said things come in threes. The PR Home Cone Planter Set of 3 proves good things come in three.

The set features three individual planters, each made from polished black terrazzo and each with a curved design.

The small, medium and large planters feature minimal design with straight lines adding an aura of sophistication.

To be used outdoors, place your planter set in the garden for a refined look to the arrangement.

Mix the Cone Planter Set with other products from the PR Home range for a finished look that exudes designer style.
