Description

Outdoor garden parasol by Skyline.
Entertain al fresco in style with the Antigua Cantilever Parasol by Skyline Design.
Offering a stylishly shaded spot to entertain outdoors, this contemporary parasol is the perfect addition for your outdoor living space.
Square in shape, the parasol umbrella is sculpted in a sunbrella fabric, innovatively treated to repel UV rays as well as water and fade resistant the sunbrella composition is also stain proof and mould resistant making this a dependable addition for outdoor use.
Suspended from a robust aluminium frame that comprises a sleek stem structure supported by a square base with four wheels, the base offers versatility and can be moved and easily tilted with minimal effort required.
Complement with accenting designer furniture from the Houseology Outdoors collection for the ultimate summer of style!
