Description

High back lounge chair from Normann Copenhagen comprising hard moulded foam shell with reinforced steel, a soft moulded foam cushion in a soft grey finish and oak chair legs.
The Era Lounge Chair features sharp line detailing with a curved look. The mix in materials and finishes between structure and seat offers a striking contrast to ensure it stands out.
The stylish chair offers a contemporary take on a timeless classic and is upholstered in Gabriel Breeze Fusion fabric ref: 60033.
Place your Normann Copenhagen Era Lounge Chair in the interior of your home to channel simple Nordic style.
Note: Chair comes assembled.
Clean with textile or upholstery cleaner.
Frequent vacuuming with soft fitting recommended to preserve colour and original appearance.
