Description

Outdoor square pickled teak dining table from Ethimo.
The Laren Square Dining Table Pickled Teak features minimal design and offer a simple yet rustic addition to your outdoor area.
The piece comprises a solid square table top made from natural wood with subtle slatted detail in a rough pickled teak finish with grey coloured metal frame and legs.
The grey painted pickled teak finish exudes vintage charm and over time the grey finish takes on a natural silver grey patina which develops as the table ages adding extra character whilst retaining the look of untreated teak.
The mix in materials and finishes offers a subtle contrast that injects sophistication and elegance to your outdoor look.
The Ethimo Laren Dining Table can be matched with Ethimo Laren Chairs for a complete look to your outdoor dining arrangement.
This product is weather-resistant and should be stored indoors during extreme adverse weather conditions.
Approximate net product weight: 25kg
Some simple self assembly required.
Seats 2-4 people.
