### Description

Outdoor teak square coffee table from Italian brand, Ethimo. Invite timeless Italian style outdoors with the Ethimo Village Coffee Table Square Natural Teak. Developed by designer outdoor furniture experts, this garden coffee table comprises a minimalist, modern design. Featuring a distinctive diagonal wooden slat pattern, the teak parquet effect carpentry of the table top is balanced with rounded corners and a sculptural arched leg base. Offering a sturdy table surface for al fresco entertaining or relaxed balcony brunches, the table is designed to combine with other natural teak wood elements of the Ethimo designer garden furniture collection for a complete outdoor look. Teak wood ages over time developing a unique silver grey patina effect. This outdoor coffee table is weather-resistant. Prolong the life of your luxury garden furniture by sheltering indoors during hard winters and extreme adverse weather conditions. Approximate net product weight: 12kg
