Description

Having a meal outside is a meal experienced in absolute bliss. So ensure you dine in absolute style with the gorgeous Ballare Teak Dining Table from Skagerak.

This outdoor furniture piece comprises a teak frame with four slender wooden legs supporting a slatted table top with stainless steel supports underneath.

Each table can be extended from 196cm-296cm by inserting 2 extra slatted teak inserts depending on the number of guests dining.

The table provides a versatile addition in that it can also be used indoors. Created by Danish designer, Jakob Berg, the Ballare Dining Table channels simple and Nordic charm with a rustic edge.
